Dear Sponsor,

I am a young athlete seeking to excel in the sport of volleyball. I have a unique opportunity to participate in the Storm Performance Volleyball Club season, which has served the Corpus Christi/Coastal Bend community for over 15 years.

Their mission is to assist junior volleyball athletes in advancing their level of play and knowledge of the sport and to create broad opportunities for continued involvement in the sport, which includes the pursuit of college scholarships. Storm Performance has helped over 50 athletes reach the collegiate volleyball level.

Storm helps its athletes to reach their full potential in all aspects of the game, as well as their life skills on and off the court. This experience will provide the skills, leadership, and future scholarship opportunities that I will need as I go through school and look forward to college.

This year, my teammates and I are seeking your involvement in assisting our club. Your tax-deductible sponsorship is crucial in helping to maintain Storm Performance's high standard of coaching as well as offset club fees, uniforms, and other expenses. As a member of the Lone Star Region of USA Volleyball, Storm participates in sanctioned volleyball tournaments where approximately 90% of college and university recruiting takes place. Club volleyball is even a feeder program for the USA Olympic team.

Thank you in advance for your consideration to help. With the generosity of businesses and individuals like you, we can continue to achieve.

In exchange for your sponsorship, your business receives advertising exposure through Storm Performance Volleyball:

Thank you for your consideration. Please contact Robbie Curlee with any questions.
